

Writing Worksheet:

Aim : Have students to practice basic introduction in a fun way by describing the features of their monster friend.

Production :

1. Write some questions on the board and let students use the ideas drawing their monster friend.

2. Give 5-10 mins time to create their monster friend. So could draw first and write down the descriptions into a paragraph.

3. Questions (Q): What is your monster friend's name?

(Q) How old is he/she?

(Q) How many heads, eyes, ears, noses and mouths

does he/she have?

(Q) How many legs?

(Q) How many hands?

(Q) How much hair?

(Q) How tall is he/she? (tall, short, very tall, short, etc.)
