

## How We Communicate

As people, we have to communicate. There are four "blocks" that we use to convey meaning: content, what we describe, how or why.

- We use **nouns** to refer to people, places, things, activities.  
**man, woman**
- We use **adjectives** to describe people, places, things & ideas.  
**the short man, the tall woman**
- We use **verbs** to show action, or the condition of things.  
I started the story **two** pages. Though **many** were  
the short **man's** **pointing**. The tall **woman's** **reading**.  
words of being: the short man **is** a poet. The tall woman **is** a writer.

- We use **adverbs** to tell how, when, where, how much, etc.  
The short man **pointed**. The tall woman **read**.  
The short man **always** **pointed**. The tall woman **usually** **reads**.  
The short man **always** **pointed** **from** **where** he stood.
