

## LYRICS – RECALL TRACK

*To be used with lyrics to RRR "What does the Constitution do?" Recall Track*

### **Chorus**

What does the Constitution do?  
What does the Constitution say?  
Well listen up and I'll tell you  
About the Constitution

### **Verse I**

Article I establishes the \_\_\_\_\_  
It might seem simple but there are guidelines beyond this  
So follow along, y'all, we're in for the long haul  
As we relate the details of \_\_\_\_\_

The \_\_\_\_\_, yo, it's mad large  
\_\_\_\_\_ representatives in all  
They serve for \_\_\_\_\_, bigger states get more  
But you can't be a \_\_\_\_\_ if you're only 24,

Now in the upper house of Congress, the one called the \_\_\_\_\_  
There's \_\_\_\_\_ under the Vice President  
\_\_\_\_\_ from every state with a \_\_\_\_\_-year limit,  
But you've gotta be \_\_\_\_\_ or else you can't be in it

The rest of the article sets some more rules  
Talks about the powers and the limits, too  
But we got six more articles left to go  
So if you're enjoying, join in, and check the flow

### **Chorus**

What does the Constitution do?  
What does the Constitution say?  
Well listen up and I'll tell you  
About the Constitution

### **Verse II**

Article II sets forth the \_\_\_\_\_  
You've got president, vice president, and all that  
The president has gotta \_\_\_\_\_-born,  
\_\_\_\_\_ years of age or more

The rest of the article says what being President's about:  
His powers, his duties, and how we can kick him out
