

WORD RECOGNITION TECHNIQUES

Match up the technique with the definition by joining them together. This sheet should be used as a template. You should use this one again!

<u>Technique</u>	<u>Definition</u>	<u>Example</u>
Sound-alike	Words that sound the same but have different meanings.	The sheep were just friends.
Context	Using what you know about the situation to help you understand the meaning of a word.	The pilot always takes a short cut.
Meaning	Knowing what a word means by using the definition.	The man looked down at the ground as he walked.
Visualisation	Using a picture to help you understand the meaning of a word.	The man looked down at the ground.
Antonyms	Words that have opposite meanings.	The sun is bright and hot.
Using Senses	Using words that all begin with the same sound.	Chocolate is my favourite.
