

The stranger took her up to the top floor where the dolls were and said "Now you can pick out which doll you want and I will pay for it." So Edith picked out a doll with a blue silk dress; but she was so delighted, the very first word she said was "Now I will make a doll's party and will invite Katie for she has no doll either." Of course they did not have many delicious fruits but what they had they were satisfied with.
