

At your side (The Core)

When the daylight's gone,
and you're on your own
And you need a

_____ , just to be
around.

I will _____ you, I

will take your hand

And I'll pull you through, I

will

And you'll know that...

"I'll be at your side

"There's no need to worry

a _____, we'll

survive

"Through the haste & hurry

"I'll be at your side, if you

feel like you're alone

"And you're someone to

turn

"I'll be at your side

If _____'s standing still,

and your soul's confused

And you cannot find what

road to choose

If you make mistakes (make

mistakes)

You won't let me down (let

me down)

I will still believe (still

believe)

I will turn around

And you know that
