

### Getting To Know You Survey

**Directions:**

Print the paper on the back, fold it in on the lines eight columns are the right are folded back. They must each contain the same. Use each column only one time according to the directions. Use your own words to describe the person you are describing. Use the paper and the pencil to write your answers on the folded sheet on the back side. Finally, add the numbers to each column to find the total score for each feature. Write the total score in the space provided below each question.
