

# In The Haunted House

In the haunted house ghosts like to roam  
Bats and goblins also call it home.  
I am an old house on top of a hill  
All alone to give kids a thrill.  
You find me in market and on TV  
On Halloween you might go and  
see me.

I have cob webs all over the place  
My spider make noise to be careful  
to pass.

Humans haven't lived in me for quite a long time  
That's why the ghosts, bats, and spiders love  
this rhyme!
