## Who Took the Cookies?

To find out which bear ate the cookies, solve each subtraction problem. The bear with the numeral 6 in the difference took the cookies.

Who ate the cookies? \_\_\_\_\_

The image shows six cartoon bears arranged in two rows of three. Each bear is holding a rectangular sign with a subtraction problem. The bears are numbered 1 through 6 on their hats. The subtraction problems are:

- Bear 1: 
$$\begin{array}{r} 72 \\ - 59 \\ \hline \end{array}$$
- Bear 2: 
$$\begin{array}{r} 92 \\ - 88 \\ \hline \end{array}$$
- Bear 3: 
$$\begin{array}{r} 37 \\ - 19 \\ \hline \end{array}$$
- Bear 4: 
$$\begin{array}{r} 82 \\ - 25 \\ \hline \end{array}$$
- Bear 5: 
$$\begin{array}{r} 58 \\ - 42 \\ \hline \end{array}$$
- Bear 6: 
$$\begin{array}{r} 25 \\ - 14 \\ \hline \end{array}$$
