

w

A large, black, cursive lowercase letter 'w' is centered on a white background. The letter is formed by three distinct strokes. The first stroke starts at the top left with a small black arrow pointing upwards and to the right, indicating the direction of the pen. This stroke curves down and to the right, then loops back up and to the left to form the first hump. The second stroke is a straight diagonal line from the top left to the bottom right, forming the middle hump. The third stroke is a diagonal line from the top right to the bottom left, forming the final hump and ending with a small upward flick at the top right.
