## A Letter from the Gingerbread Man

A friendly letter has five parts.  
Each part has a special purpose.  
Use the color code to outline each  
part of the letter below.  
Then cut out the letter parts and glue  
them in place.

Gingerbread Man
-----------------

Dear Boys and Girls,
----------------------

Your friend,
--------------

I have to make this quick. I have to keep running. I just don't understand why all these people and animals keep chasing me. I am only running because I got so hot in that oven and I am trying to cool off by running really fast. The cool breeze really feels good. Well, I've got run. Maybe I'll see you soon!
