Take Me Out to the Ballpark!

Use the information on the map and the key to answer each question.

1. How many restaurants are shown? _____
2. Draw a circle around the gift shop.
3. How many tables are shown? _____
4. Draw an X on each locker room.
5. Draw a box around the scoreboard.
6. Which section is behind the home dugout? _____
7. Which section is closest to the gift shop? _____
8. How many rest rooms are shown? _____

Bonus Question: The ballpark managers want to add a second gift shop between sections D and E. Draw a gift shop symbol at the new location.
