

## sketchbook for visual Art '08-'09

Welcome to first year of Visual Art at IA.

This sketchbook is your place to express yourself!

**GO CRAZY! FILL THE PAGES! WRITE! DRAW! PAINT! The more, the better.**

- You must spend at least 1 hour or more OUTSIDE OF SCHOOL HOURS on each study drawing.
- On the BACK of each Study Drawing, write the number and title (provided below) so I can easily find it. Cross off the study drawing topics when you finish them!
- These are not just quick "sketches," they should be completed drawings done to the best of your ability.
- The starred(\*) topics are to be done from LIFE (looking at the real object in front of you). Some of the topics are impossible to draw from real life so these you may draw from your imagination or looking at a magazine, book, or photo.
- You will complete 16 Study Drawings each quarter (2 per week).
- Always get out your sketchbook at the beginning of class. This will earn you College Habits Points and count as your HOMEWORK. I will review your Study Drawing while you complete your soundscape.

**\*When a topic is "STARRED" you MUST draw it from life**
