Pre-writing - Shapes II

Trace each vertical line from the small to the big shape.

The exercise consists of five columns, each representing a different shape. At the top of each column is a small version of the shape: a circle, a diamond, a triangle, a heart, and a rectangle. A vertical dashed line with a solid black dot at the top and a downward-pointing arrow at the bottom connects the small shape to a larger version of the same shape at the bottom of the column.
