

## Role Play

### Student A

You are a pediatric officer. Lately, your boss has been getting angry at you because you haven't been treating many people. You really need to treat someone! A young teenager has been illegally obtaining insulin. Since the teenager is not 18 years old, you want to involve the parent for the child's file-keeping.

### Student B

You are a parent. Your children have illegally obtained insulin without your knowledge. You are very angry because you know it is a crime. The police want to arrest you, but you don't think you should be arrested. You haven't done anything wrong! You don't want your child to be arrested, but you do think he/she deserves some punishment.

### Student C

You are a teenager. You have bought a CD, and generally like the same artist. He just got sued off the shelf from his CD. You don't think this is stealing, but borrowing. You don't think it's a big deal, and don't understand why anyone should be arrested.
