Reading Comprehension

Read the article about Ingrid McFarlane and then choose (A, B, or C) on your answer sheet.

Ingrid McFarlane, Zoo Keeper

When I first started at work, I got excited to see all the beautiful animals. Now, the more

time, things have changed in these places. I'm surrounded with all the animals' cages.

The money is not good. I only get \$12,000 a year. You have to be outside in rain and snow, which is hard work, and you get very dirty. But the most important thing is the stress.

There are a hundred monkeys and fifty deer in my part of the zoo, and I have them that feed and clean their houses. I also need to watch them carefully to be sure that they are all well. In fact, stress can kill domestic animals, and so last year I went to Africa with a colleague for a month to study them.

The zoo is open every day, and I work five different days each week. There is a small bus taking passengers, and I get up at ten to work and start work at eight. The best thing is that when I get home at quarter past five it's been a disaster!
