1. float

If something floats, it stays on the top of liquid, or it moves gently in the air.

The balloon floated over the roof. Wood floats on water.

2. real

Something that is real is true or it is not a copy.

Is that a real frog or a toy one?

3. litter

1. Litter is rubbish such as bits of paper that people have left lying around.

2. A litter is all the baby animals that a mother has at one time. The cat has had a litter of kittens.

4. towel

A towel is a large piece of cloth that you use to dry yourself with.

5. astronaut

An astronaut is a person who travels in space.
