

Name _____

The Earth, Sun, and Moon
Physical Characteristics

Solar System Super Mart

Read about each shopper.

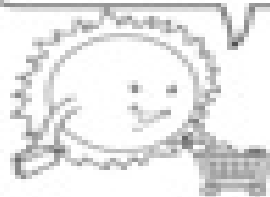

Then study the items for sale.

Write *Earth*, *Sun*, or *Moon* under each item to tell which shopper would buy it.

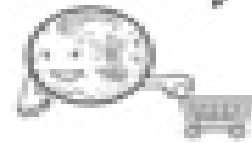

I am Earth. I am a large body that orbits, or travels, around a bright star (Sun). My surface is covered with water and land.

I am Sun, a ball of glowing gasses. I am very hot and bright. I am bigger than all of the planets and moons in the solar system.

I am Moon. I am a satellite because I orbit a planet (Earth). I am much smaller than Earth. My surface has thousands of craters.

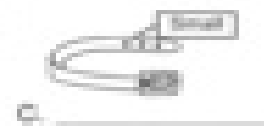

Belts on sale for all sizes!
