

**EXERCISES**

Look at the 16 pictures arranged horizontally or vertically and write the correct numbers under the pictures.

The grid contains 16 visual puzzles, each with a square box and a black dot. The puzzles are arranged in four rows and four columns. The first row shows a dot at the top-left, a dot at the top with a curved arrow pointing down, a dot at the top-right, and a dot at the right with a horizontal line extending to the left. The second row shows a dot at the top-left, a dot at the bottom-right, a dot at the center, and a dot at the bottom-right. The third row shows a dot at the left, a dot at the right, a dot at the center, and a dot at the center. The fourth row shows two boxes with a dot between them, a dot at the bottom, a dot at the bottom with a horizontal line above it, and a dot at the right.

Write the numbers from the last picture.
