

Reading - Grade 3
Following Directions

Name: _____ Age: _____ Grade: _____

1. Read the directions carefully and follow what you are asked to do.

Setting the Table

1. Draw a rectangle big enough to represent your placemat.
2. At its center, draw a circle that will represent your plate.
3. Draw the spoon and knife at the right side of the plate.
4. Draw the fork at the left side of the plate.
- 5-6 Draw the glass above the fork and the saucer above the spoon and knife.

Days of the Year

Thirty days has September,
April, June and November,
And all the rest have thirty-one
except February
which never has twenty-eight,
And one day more
when leap year comes.

7. Write the number of days in the month of June.
8. Write how many days March has.
- 9-12 Write all the months with thirty days only.
13. What month never has 28 or 29 days?
