

Name \_\_\_\_\_

1. Read the text 3 times. Color a star after each time you read.

### The Butterfly

The butterfly starts its life as an egg. Soon the egg opens and a caterpillar comes out. The caterpillar eats plants and grows fast. Then the caterpillar makes a hard shell around its body called a chrysalis. Inside the chrysalis the caterpillar changes into a pretty butterfly. Then the butterfly flies away.

2. Color the sentence that answers the question.

A. How does the butterfly start its life?

B. What comes out of the egg?

C. What do we call the hard shell that covers the caterpillar?

3. Draw a picture that matches the text.
