# Plural Nouns

A word needs to be plural when there is more than one. Most of the time we just need to add an "s" to make word plural. for example: 1 dog, 2 dogs

But if the noun ends in S, X, CH or SH then we need to add "es" to make it plural

|              |              |              |
|--------------|--------------|--------------|
| cat _____    | pencil _____ | doll _____   |
| exam _____   | bus _____    | beach _____  |
| wish _____   | sign _____   | chair _____  |
| branch _____ | kiss _____   | fox _____    |
| glass _____  | bone _____   | forest _____ |

Write each of the words below in its plural form

|             |             |
|-------------|-------------|
| inch _____  | guess _____ |
| class _____ | peach _____ |
| tax _____   | frog _____  |
| dress _____ | box _____   |
