

STATEMENT OF PURPOSE AND OBJECTIVE

Being a cheerleader is an honor and special privilege. Cheerleaders and spirit groups exist to promote good sportsmanship, good citizenship, and wholesome and enthusiastic school spirit. They are first and foremost representatives of their school. Cheerleaders should exemplify both individual and group behavior suitable to their position and in accordance with the rules as stated in the HCPS Student Code of Conduct. Members of these groups have a fundamental responsibility to play a leadership role in building teamwork and helping the school achieve its goals and objectives. Because of these responsibilities, members of the cheerleading squad will be expected to maintain a higher standard of behavior both on and off campus and academic achievement than that of their peers. Cheerleaders are expected to be physically and mentally skilled in learning and remembering cheers. They are also expected to be able to publicly demonstrate a skill level suitable for the team position and the timing necessary for group performance. Off the field, they are to enthusiastically support all athletic teams through advertisement, personal attitude, and attendance at events chosen by the coach and approved by the athletic director.
