

## The Two "C" Sounds

The *hard C* sound:

When it comes before  
a, o, or u,  
the **c** makes a **k** sound.

The *soft C* sound:

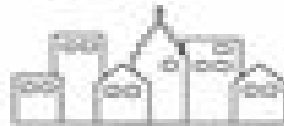

When it comes before  
i, e, or y,  
the **c** makes an **s** sound.

Say the name of the picture aloud. Circle the words that begin with a hard **c** sound. Underline the words that begin with a soft **c** sound.
