## Identifying Adjectives 2

| Name: | <br>nesana esv |  |  |
|-------|----------------|--|--|
|       |                |  |  |

Adjectives describe nouns. They give information about something or someone that we can discover with our senses. They tell how he/she/it looks, feels, sounds, smells, or tastes.

Read the sentence. Circle the adjective. On the line after the sentence, write the noun that is being described.

| The girl smelled the frest flowers.                     | flowers |
|---|---------|
| 2. Elena rode her bicycle on a hot day.                 |         |
