

Name _____ Date _____ Class Period _____

Story/Book Title _____ Author _____

Themes

Directions: Write the two most important themes from your book in the areas provided. Then, find three quotations or examples to illustrate each of those themes.

The diagram consists of two central rectangular boxes, one above the other, labeled "Theme 1" and "Theme 2". Each of these central boxes is connected by lines to three surrounding empty rounded rectangular boxes. The top row of three boxes is connected to the "Theme 1" box, and the bottom row of three boxes is connected to the "Theme 2" box. This layout allows students to identify two main themes and then provide three examples or quotations for each.
