

Story Writing

Warm-up:

Close your eyes for three minutes and think about your day today. After three minutes, write down or draw whatever you can remember about everything that you have thought. Remember to write in the past tense (eg 'I went...')

Settings, characters and plots:

Think of your book and give a couple of minutes to think about each one from each of your characters' points of view. Consider the story without names.

Now write down the setting, characters and plot of your chosen story.

Setting (where it happens)

Characters (people)

Plot (what happens with)
