Now rewrite the text below, adding the correct punctuation, and breaking it into paragraphs.

giants have been the main characters in fairy tales myths and legends for centuries they have been imaginary figures of fear and fun throughout the world from the west to the east and from the north pole to the south pole some have strange names like polyphemus the cyclops from greece blunderstone from england and jötun from scandinavia in many traditional stories giants who smell terrible will often thunder low & do them there are not always very clever so small creatures can trick them and escape from their churches
