

American History

Name _____

Colonization

Map: Colonial Regions & Settlements

Date _____

13 Colonies:

Use **BLACK** pen or pencil to label each of the original 13 British Colonies.

Connecticut	Delaware	Georgia
Massachusetts (both parts)	Rhode Island	New York
Pennsylvania	New Jersey	Maryland
Virginia	North Carolina	South Carolina
New Hampshire	Land claimed by NY and NJ	

3 Colonial Regions:

Choose a colored pencil to lightly **SHADE** the colonies belonging to each colonial region. Don't forget to complete the **Key** on the map with these colors.

Southern Colonial Region	New England Colonial Region	Middle Colonial Region
--------------------------	-----------------------------	------------------------

3 Colonial Settlements:

Use a **GREEN** colored pencil to label the sites where the **three early colonial regions** were established. Write the state these founded had to the name on your map. One has already been done for you.

Jamestown	Plymouth	Massachusetts Bay
-----------	----------	-------------------

Physical Features:

Use the assigned colored pencil to **draw and label** the physical features on your map.

BLUE	BROWN	RED
1. Atlantic Ocean	1. Appalachian Mountains	1. Proclamation Line 1763
