

Comparing Biomes – Where Plants Grow

Go the website: **Mission: Biomes** - <http://earthobservatory.nasa.gov/Laboratory/Biome/>

Choose the following biomes and record the information needed on the chart.

Biome	Low Temperature (Celcius)	High Temperature (Celcius)	Low Precipitation (rainfall)	High Precipitation (rainfall)	Vegetation (plants in this biome)
Rainforest					
Temperate Forest					
Tundra					
Desert
