

Name _____ Date _____

The Wheel of Progress

Black Americans have struggled to overcome oppression and gain complete and equal rights since the 1800s. Below are a few of the events that helped turn the wheels of progress in the Civil Rights movement.

Read each event. Then research to determine the year in which each event took place. Write the year in the corresponding box. Some years may be used more than once. Finally, cut out each section of the wheel and glue it on a sheet of construction paper, placing the sections in chronological order.

1. The Supreme Court rules that segregation is unconstitutional.

2. The Supreme Court rules that segregation is unconstitutional.

3. The Supreme Court rules that segregation is unconstitutional.

4. The Supreme Court rules that segregation is unconstitutional.

5. The Supreme Court rules that segregation is unconstitutional.

6. The Supreme Court rules that segregation is unconstitutional.

7. The Supreme Court rules that segregation is unconstitutional.

8. The Supreme Court rules that segregation is unconstitutional.

9. The Supreme Court rules that segregation is unconstitutional.

10. The Supreme Court rules that segregation is unconstitutional.

11. The Supreme Court rules that segregation is unconstitutional.

12. The Supreme Court rules that segregation is unconstitutional.

13. The Supreme Court rules that segregation is unconstitutional.

14. The Supreme Court rules that segregation is unconstitutional.

15. The Supreme Court rules that segregation is unconstitutional.

16. The Supreme Court rules that segregation is unconstitutional.

17. The Supreme Court rules that segregation is unconstitutional.

18. The Supreme Court rules that segregation is unconstitutional.

19. The Supreme Court rules that segregation is unconstitutional.
