

Dear Parents,

On \_\_\_\_\_, we will be taking a field trip to Hedrick Exotic Animal Farm in Nickerson, Kansas. Your son/daughter will be interacting with animals from around the world and a knowledgeable guide will tell your child about the animal's habitat, personality, and the country the animal is native to. They will be able to pet many of the animals and share in feeding the kangaroos and giraffes.

This is a working farm, not a zoo, so we request that your child wear appropriate foot wear and layered clothing to insure they are comfortable. There is a gift shop with souvenir items priced from .50 cents to \$10.00 for your child to purchase. It is also very important that our child be reminded to listen and follow the directions of their guide in order to get the most out of their visit to the farm.

Please help us make this a memorable and educational field trip by following these few simple guidelines.

Thank you.
