

Mental Maths Challenge

Name _____

Challenge yourself every night for a week. How many seconds does it take for you to work out these number bonds? Get someone to time you every night. Can you beat your own time?

Friday	Saturday	Sunday
$4+5=$	$6+2=$	$3+6=$
$3+7=$	$9+1=$	$4+3=$
$6+2=$	$2+7=$	$2+8=$
$5+5=$	$3+6=$	$9+1=$
