

## Text Features SCAVENGER HUNT

Using your textbook, see how many of these text features you can find. Keep a tally each time you find one. Write the page number beside the first example that you find. After that, just put a tally mark each time you see another example of that same text feature.

| TEXT FEATURE                                           | PAGE NUMBER | NUMBER FOUND |
|--------------------------------------------------------|-------------|--------------|
| Title                                                  |             |              |
| Sub Title                                              |             |              |
| Labeled pictures or diagram                            |             |              |
| Cut-Away diagram                                       |             |              |
| Photograph                                             |             |              |
| Table or Chart                                         |             |              |
| Graph                                                  |             |              |
| Bold Print                                             |             |              |
| Italics                                                |             |              |
| Caption                                                |             |              |
| Map                                                    |             |              |
| A picture sequence or flow chart                       |             |              |
| Illustration                                           |             |              |
| Timeline                                               |             |              |
| Table of Contents                                      |             |              |
| Glossary                                               |             |              |
| Index                                                  |             |              |
| Information in box with a different colored background |             |              |
