

Let's Make 10

$$\underline{8} + \square = 10$$

$$\underline{1} + \square = 10$$

$$\underline{0} + \square = 10$$

$$\underline{3} + \square = 10$$

$$\underline{9} + \square = 10$$

$$\underline{5} + \square = 10$$

$$\underline{7} + \square = 10$$

$$\underline{6} + \square = 10$$

$$\underline{2} + \square = 10$$

$$\underline{4} + \square = 10$$
