

World War II Annotated Timeline

Your assignment is to construct an annotated timeline of the important events of World War II. You will use the following topics and arrange them in chronological order as well as provide a detailed description of the event. Your timeline should be typed and include at least three photos. You will have access to your textbook and any other research engines to find dates and accurate details of the events.

Your annotated timeline should include what happened, who was involved, when, where, and why it happened.

The following events should be included:

How and when Hitler came to power in their country
How and when Stalin came to power in their country
How and when Mussolini came to power in their country
Death of Adolf Hitler
The attack on Pearl Harbor
Hideki Tojo becomes prime minister of Japan
Japanese internment camps
Death of President Roosevelt
D-Day
U.S. Declaration of War
The St. Louis
The beginning of the Final Solution
Hitler invades Poland, beginning World War II
Kristallnacht
V-E Day
Liberation of the Death Camps
Tripartite Act
Lend Lease Act
Truman becomes president
Atomic bomb on Nagasaki and Hiroshima
The beginning of the Nuremberg Laws
Japan surrenders
