

Name _____

Date _____

In the Zone

Eric, Celine, Matt, and Polly met at summer camp in Florida. They became good friends and stay in touch by phoning each other. Since each of them lives in a different time zone, they can only call at certain times. Follow the clues to program each clock. Then answer the questions to help these four friends get in the zone!

- Clue 1** It is 1:00 in the Pacific time zone.
Clue 2 In the mountain time zone, it is one hour later.
Clue 3 It is one hour later than mountain time in the central time zone.
Clue 4 It is 4:00 in the eastern time zone.
