

ME AND MY BEST FRIEND

My name is Betty, my best friend's name is Lisa, we live in the same town. I am nine years old, my best friend is also nine years old. My birthday is in June and Lisa's birthday is in November. We go to school together. We are both in the third form. My favourite school subject is English and Lisa's favourite school subject is Maths. I like playing with dolls and doing puzzles. Lisa likes drawing and dancing. We always spend a lot of time together. When it's sunny, we go to the park and rollerblade. Sometimes we go for a walk with Lisa's puppy. I haven't got a puppy, but I've got a kitten. Often, in winter we build a snowman, share and throw snowballs. I love winter it's my favourite season. Lisa's favourite season is summer. In summer we often ride a bike and fly a kite. I can play the dolls and Lisa can play the piano. In the future I would like to be a singer and she would like to be a dancer.

Write the answers to the questions.

Use the sentences from the text.
