

## Baruch College Study Abroad Budget Planning Worksheet

This Study Abroad Budget Worksheet is designed to help you estimate the costs of your study abroad and to compare costs across programs you may be considering. Programs vary in cost, and in the services that the program fee covers. Please pay close attention to these details as you fill this out. You should consult with the Baruch College Financial Aid Office, as well as the Study Abroad website, while still considering your options, to see what financial aid and scholarship money for which you might be eligible. Please note that some program fees will need to be paid prior to departure and before the release of financial aid.
