### Graphing Animals

Directions: Use the pie chart to answer the questions about Farmer John's animals.

1. Did Farmer John have more chickens or more horses?  
\_\_\_\_\_
2. If Farmer John has 50 pigs, how many cows does he have?  
\_\_\_\_\_
3. True or False? Half of Farmer John's animals are chickens and cows.  
\_\_\_\_\_
4. Farmer John has 200 animals. 50 are pigs; 30 are horses. How many chickens does he have?  
\_\_\_\_\_
