

Children's Bible Lessons

Dear Parents ,

God's Word states, "Children are a heritage of the Lord: and the fruit of the womb is His reward" (Psa. 127:3). In effect, this passage states that children are an inheritance and a special reward that God gives to parents. But, like any inheritance or reward, those who receive such must be good stewards of the gift, in this case, children.

Attached you will find four lessons on **Character**. Please familiarize yourself with each lesson. This will help you understand the lesson and make you an authority because they will surely have some questions. Let's begin!

KINDNESS

Scripture Reading: 2 Timothy 2:24 (NLT)

"A servant of the Lord must not quarrel but must be kind to everyone, be able to teach, and be patient with difficult people".

Do you want to be God's Servant Helper?

God made each person that you see every day, and He loves them all in a very special way. Since He lives inside of you, He needs YOU to go out and share His love with them all.

How else will they know He loves them?

Wondering how you can help share God's love? By being kind to everyone you meet. Kindness shows people God's love hidden in your heart.

Ways to Show God's Love Through Kindness

- ☺ When you don't agree with someone, do not quarrel or argue. Instead, talk about the problem calmly like friends! This makes God happy.
- ☺ If someone is being mean to you, do not be mean back. Instead show them God's love by smiling and using kind words.
- ☺ Share the things God has blessed you with. Let your sister or brother play with your toys. Give your old clothes and toys away to someone else who needs them.
- ☺ If you see someone who needs help, try to help them the best you can.

Let's Talk About It

1. What does 2 Timothy say we must not do to be God's Servant Helpers?
2. What are the things that we have to do in order to be God's Servant Helpers?
3. Can you come up with even more ways that we can show God's love through kindness.
