HOW TO USE THE SELF-GOVERNMENT COMPASS

Mark your PERSONAL score on the left and your ECONOMIC score on the right. (See example of 20% personal and 10% economic.) Then follow the grid lines until they meet at your political position.

The compass measures self-government. Liberals value freedom of expression. Conservatives value free enterprise. Libertarians value both. Authoritarians are against both.

Examples:
M. Thatcher (right)
F.D. Roosevelt (left)
Lindsay Perigo &
Thomas Jefferson (top)
Stalin and Hitler (bottom)
