

License

It is very important to clarify the copyright and ownership issues for your site. We highly recommend setting an open "copyleft" license that allows making the Content more or less free to copy, modify and use.

This is particularly important when your Site is created and edited collaboratively.

Read more about [Creative Commons licenses](#), use a [wizard](#) to select the proper license or just visit [Creative Commons](#).

Choose the category:

A vertical list box with a scroll bar. The items listed are: default, admin, de, deleted, en, es, forum, fr, ga, include, it, nav, nl, pics, pl. The 'default' item is highlighted at the top.

Choose the license:

A dropdown menu with the text "Creative Commons Attribution-ShareAlike 3.0 License (recommended)" and a small downward arrow on the right.
