

**To provide personalized treatment for each patient in a warm, compassionate, and relaxed environment**

**To provide efficient and effective orthodontic care in the shortest amount of treatment time necessary and at a very affordable cost**

**To be up to date on the latest evidence-based orthodontic treatments and technologies through regular continuing education courses and implementation of new proven techniques into practice**

**To achieve and maintain a perfect balance of high quality and stable results with short treatment times**

**To minimize the need for dental extractions within the patient's best interests and overall long term stability of their smile**

**To educate patients about all of their possible treatment options and to guide them to make the right decision**

**To provide a positive and energetic environment for all patients and employees**

**To be a role model in the community through participating in and supporting local activities and charities**

## **Vision Statement**

"I want to get to know you and your family as individuals and as friends. I will constantly strive to provide my patients with the highest quality care in the most safe, clean, and comfortable environment. I wish to guide my patients along a path of optimal dental health, wellness, and smile aesthetics that will last them for a very long time. The genuine care and comfort of my patients is my highest mission. I pledge to provide quality orthodontic treatment with personal service and in the best facilities for all patients. I wish to enhance and perfect my patients' smiles in a warm, relaxed, and refined atmosphere for them to enjoy and share with others."
