

# Bass Clef Notes on Piano

The diagram illustrates the mapping of bass clef notes to piano keys. At the top, a bass clef staff shows a sequence of notes: C (below the staff), D, E, F, G, A, B, C (first line), D, E, F, G, A, B, C (second line). Arrows point from each note to a corresponding key on a piano keyboard below. The keyboard is divided into three sections: (low c) with keys C, D, E, F, G, A, B; (bass c) with keys C, D, E, F, G, A, B; and (middle c) with keys C, D, E, F, G, A, B, C. The labels (low c), (bass c), and (middle c) are positioned below their respective sections.
