### Rounding Decimals

Round each of the following to the nearest tenth:

- |                  |                  |                  |
|------------------|------------------|------------------|
| 1) 18.764 _____  | 2) 2.674 _____   | 3) 11.483 _____  |
| 4) 28.8755 _____ | 5) 32.5132 _____ | 6) 92.568 _____  |
| 7) 787.773 _____ | 8) 29.8845 _____ | 9) 28332 _____   |
| 10) 8.6631 _____ | 11) 6.2889 _____ | 12) 13.4 _____   |
| 13) 56.188 _____ | 14) 38.892 _____ | 15) 28.995 _____ |

Round each of the following to the nearest hundredth:

- |                   |                   |                    |
|-------------------|-------------------|--------------------|
| 1) 21.889 _____   | 2) 92.8306 _____  | 3) 8.8237 _____    |
| 4) 18.8992 _____  | 5) 6.8282 _____   | 6) 912.929 _____   |
| 7) 345.678 _____  | 8) 389.388 _____  | 9) 99.9999 _____   |
| 10) 188.886 _____ | 11) 8.6677 _____  | 12) 12.3856 _____  |
| 13) .88991 _____  | 14) 56.3719 _____ | 15) 587.6543 _____ |

**For Fun** - "start in the hundredths place, then move 3 places to the right, then move 2 places to the left, then move 3 more places to the left, then move 8 places to the right and finally move 4 places to the left...what place are you in now?"
