

Stormy Stories

Read each storm story. Circle the hidden weather word being described. The first one has been done for you.

Word Bank

blizzard	microburst
flood	tornado
tsunami	hurricane
typhoon	thunderstorm

1. Tami let out the door and pointed up. The heavy rain and cool bursts of air were strong. An airplane was caught in the gusts!
2. As she left for her snow shoveling job, Lizard, my sister, said, "No school today, no school tomorrow! The weatherman says the roads are blocked with snow."
3. The rains poured around the house. Billy Hux, Pica Nezi, and Sandy Boat waited for the storm's eye to arrive.
4. The torn ad on the table read, "Stormy Weather Likely." Wendy could hear the sirens as her house lifted into the air!
5. Joe sat in the hot sun amid other guests. They ran to higher ground when they heard the warning. An underwater earthquake caused a giant wave that would reach land soon!
6. The lightning flashed over and over. I knew I should avoid the storm's wrath. Under storm warnings, I stayed away from the water and the telephone.
7. "It wasn't pretty," Pho Ono, my pen pal, wrote. The storm surge had damaged China's coast.
8. It had rained for days. Flo Odum jumped into the rescue boat and rode to safety.
