

Name _____
Period _____
Date _____

Class _____

Atomic Structure Quiz

1. Label the following diagram of an atom from the periodic table. Use the following labels: atomic mass, symbol, atomic number, atomic name

A. _____	8
B. _____	O
C. _____	Oxygen
D. _____	15.999

2. Fill in the blanks with the values for the following atoms.

9
F
Fluorine
18.998

of protons = _____
of neutrons = _____

7
N
Nitrogen
14.007

of protons = _____
of neutrons = _____

11
Na
Sodium
22.989

of protons = _____
of neutrons = _____
