

Life Cycle Writing Assignment

Directions: Write a paragraph explaining your life cycle chart. In your paragraph you should answer the following questions.

What is the definition of a life cycle?

What are the stages in a human life cycle?

How old do you think you were in your baby picture?

How old do you think you were in your child picture?

How old are you now?

What are you going to be as an adult? What details did you add to your picture so that we know this?

How do you think you will feel as an elderly person?
