Martin Luther King's Dream

Martin Luther King, Jr. had "a dream that one day...little black boys and little black girls will be able to join hands with little white boys and little white girls as sisters and brothers."

(Martin Luther King, Jr., August 28, 1963)

Dr. King spent his life preaching, giving speeches, leading marches, and helping change laws so that all people would be treated fairly.

I can help Dr. King's dream come true!
